

Use these sketches  
for other cards, too!

## Alternate sketches for March 2015 Paper Pumpkin Cards

Use the twine to wrap the  
top of the bubble instead

Slide bubble down a bit  
to make room for ribbon

Trim off a bit of the bottom  
and adhere it inside  
(I used my Mini-treat Bag Thinlits Die)

Turn the card sideways and center the thought  
bubble along the top
